Application for AVSI-USA Internship in Rio de Janeiro, Brazil

Application deadline: March 19, 2010

Name: _____

Email: _____

Phone: _____

Address: _____

University, degree and expected date of graduation: _____

Area of concentration/Major: _____

Please answer the following questions:

I. Statement of Interest: What is the most important thing you hope to gain from this internship and why?

II. **In Portuguese**, please answer the following question: Why are you interested in spending the summer months in Brazil, and specifically working in a favela of Rio de Janeiro?

III. An important aspect of the internship will be assisting in the various aspects of program evaluation and design as well as data collection, analysis and management. Below, you are given a general goal of the after-school program which the Cantinho da Natureza offers to school-aged children. You are asked to complete the following table to give an idea as to how you might design and implement an evaluation of the program's effectiveness in reaching this goal. The **goal** of the after-school program of the Cantinho da Natureza is: *to enhance the educational and social development of children (ages 6-13) through the provision of supportive and enriching after-school activities.* (Note: after-school activities can include homework assistance and tutoring in basic skills, sports, arts and cultural activities, chess, and special celebrations).

	Indicators	Tools and Methods to measure progress	Risks and Potential Problems
Goal: To enhance the educational and social development of children (ages 6-13) through the provision of supportive and enriching afterschool activities.			

NOTE: The above application should be completed and returned via email together with an updated resume and two references (one personal, the other academic/work) to infoavsi-usa@avsi.org on or before **March 19, 2010**. You will be contacted to schedule an interview shortly thereafter. Thank you for your interest.
