Please answer the following questions:

I. Statement of Interest: Please tell us why you would like to participate in the Oaxaca Summer Internship offered by AVSI-USA, and what you hope to get out of it? Please describe previous experience working with children and youth and any link that you see between the internship and your academic career.

II. En Español, por favor comparte con nosotros, ¿porque estas interesado en conocer a México en general y a Oaxaca en particular?

III. Describe the skills that you have which could contribute to DIJO as an organization. Explain interests in or experience you have had with any of the following aspects of non-profit management and program implementation: field research (data collection, survey, interviews, etc), program evaluation (data collection, evaluation design, statistical analysis, etc) or other aspects of non-profit management.

NOTE: The above application should be completed and returned via email together with an updated resume and two references (one personal, the other work/academic) to infoavsi-usa@avsi.org on or before March 19, 2010. You will be contacted to schedule an interview shortly thereafter. Thank you for your interest.
